## AFFAIRS IN ALEXANDRIA

Verdict for the Plaintiff in Suit Against a

Railway.

Award of \$4,000 as Damages to Mrs.

Laura Watkins—General

and Personal.

Evening Star Bureau.

Bell Telephone No. 106.

ALEXANDRIA, Va., November 1, 1899.

It was 3 o'clock this morning before the jury in the circuit court, sitting to consider the case of Watkins against the Washington, Alexandria and Mt. Vernon Railroad Company, returned a verdict awarding the plaintiff \$4,000 as damages. G. Wm. Ramsey acted as foreman. According to the verdict one-third of the award is to go to Mrs. Laura H. Watkins, the widow of William H. Watkins, and the residue to her children. Counsel for the defendant company made a motion for a new trial, but Judge Nicol declined to entertain it at that time, and argument on the motion will be heard tomorrow.

This case was opened Monday morning. Mrs. Watkins brought suit for damages on the ground that the death of her husband, which occurred last February, was caused by his being run over by a train on the Washington, Alexandria and Mt. Vernon railroad. Judge Norton and Garret L. Rootes represented the plaintiff and R. Walton Moore and James R. Caton appeared for the railroad company.

Delivery System Extended.

An order from the Post Office Department extending the free delivery mail system to West End went into effect this morning. It was through the efforts of Postmaster Joseph L. Crupper that favorable action was taken in the matter. Since the term of Mr. C. C. Carlin as postmaster a movement has been on foot to secure extension of the system to West End. Mr. Carlin gave it his support, but the department at that time refused to grant the application unless the streets of West End were lighted and paved, and the houses numbered. Those conditions have not yet been complied with, but the houses are all numbered.

The village immediately joins Alexandria on the street, extending quite a distance into Fairfax county. It contains several hundred inhabitants. The Virginia glass works plant and the reservoir are situated in West End.

Patrick E. Downey, formerly the senior

senior member of the board of directors of the position of regular carrier, thus increasing

the active force in proportion to the additional work.

Police Court Docket.

Mayor Simpson disposed of the following

cases in the police court this morning:

Lewis Carrington, Jack Lee, Tempie Wil-

son, Gus Carter and Frank Carter, all col-

ored, were charged with having promoted a

dog fight Sunday last. They were assessed

\$5 each.

Sarah Levi, colored, appeared as a com-

plainant in an assault case against Amelia

Lee, also colored, and both Amelia and

Sarah were fined.

Officers Hall and Deane roped in a lot of

small boys last night who braved the in-

clement weather in order to celebrate Hal-

loween by storming the city. George Kuhn, the leader, was severely reprimanded

and the batch was dismissed with

warnings against a repetition of the offense.

General and Personal.

A slight accident to a Southern railroad

freight train at North Garden, near Char-

lottesville, last night resulted in injuries

to Conductor Clem Poland of this city, who

had his collar bone broken, and received

several severe bruises. He was brought

here this morning.

Col. Arthur Herbert has made public his

retirement from the banking firm of Burke

and Herbert, after having been connected

with the firm for many years. Col.

Herbert will reside at his Fairfax country

home.

The marriage of Miss Edith Moore, sister

of Mr. R. Walton Moore, to Mr. Thomas Randolph

Keith is announced to take place the evening

of November 16, at Zion Episcopal

Church, Fairfax Court House.

The heavy rain and wind storm last

night did little damage here. The tide was

very high this morning, covering the ground

floors of several houses of merchandise,

but the merchants were prepared, having

placed their goods out of danger.

Several citizens held a meeting here to-

day, which resulted in the formation of a

society styled as the Washington Mem-

orial Association of Alexandria, Va. The

purpose in view is the erection of a monu-

ment to General Washington to commemo-

rate his various civic connection with the

city of Alexandria. The members entered

into an agreement each to subscribe \$2.00

to constitute a guarantee expense fund. W. B. Smoot was chosen president, A. J. Wed-

derburn secretary, and C. C. Carlin, treas-

urer. It is proposed that the dedication

of the monument shall represent Washing-

ton as a farmer, surveyor and Mason.

STREET DEDICATION.

Matter Affecting Winthrop Heights

Called to Attention.

The attention of the District Commission-

ers was recently invited by Mr. Lawrence C. Loomis to the dedication to the District

of Baltimore and Cincinnati streets, Win-

throp Heights, and to their acceptance of

such dedication. In doing so Mr. Loomis

asked the Commissioners to issue an order

abandoning the old streets as follows: La-

wrence avenue from Albany to Cincinnati

streets; Lawrence avenue from Albany to

street to the Chapel road, and the Chapel

road from Cincinnati to 2nd street. The

Commissioners, after an investigation of

the matter, have denied Mr. Loomis' re-

quest.

It appears from a report made to them

that a map was filed some months ago by

Mr. Loomis and recorded in the office of the

District surveyor, which showed the

dedication of certain streets and the aban-

donment of others, according to the per-

manent system of highways in the subdivi-

sion of Montello. The filing of this map, the

Commissioners think, carried with it the

abandonment of certain streets, so far as

allowed under the act of 1870. Mr. Loomis'

request for additional action which they

do not deem it proper to take, as some

of the streets have been abandoned, and

the only outlet now left to certain small

holdings in the locality. An order issued

under such conditions would, they believe,

have force in law, and they have, there-

fore, denied the request made by Mr. Loomis.

DISTRICT CENTENNIAL.

Subject at Meeting of the Columbia

Historical Society.

A subject of much local interest will

be considered at the meeting of the Columbia

Historical Society in the banquet hall of

the Shoreham next Monday evening at 8

o'clock. This will be the first meeting of

the society since the summer vacation, and

it is expected there will be a large attend-

ance of the members and the public gener-

ally. A paper will be read by Dr. S. C.

Busey on the "Centennial of the Permanent

Seat of the Government of the United

States," which will give the historical basis

for determining the vexed question as to

the exact date in the year 1800 the District

became the seat of government.

Following the paper will be a discussion

elaborating upon the historical facts with a

direct bearing on the proposed celebration

of the coming year of this important an-

niversary event in the history of the District.
